240 x 140 x 117.5 cm

Packaging

Each igloo comes flat-packed in a reusable sturdy corrugated cardboard box with removable lid.

Packaged dimensions (W x D x H)
153 x 70.7 x 5.5 cm

Packaged weight
6.65 kg

Safety & Quality

Recommended age 18 months +

Kid-Eco products conform to the 88/378/EEC safety directive and are designed and manufactured in the UK to the following National & European Standards:

BS EN 71 - 1:1998 - Safety of toys - Physical & Mechanical properties

BS EN 71 - 2:1994 - Safety of toys - Flammability

Profiled 'safety edges' have been applied wherever practical on this product.

Environment

Manufactured from (approximately) 80% recycled corrugated cardboard.

Biodegradable & fully recyclable.

Important note

This item is primarily designed for indoor use but is suitable for outside use in dry and calm conditions. When not in use it should be stored in a dry place and kept away from excessive heat or naked flame. Adult supervision is required at all times. This igloo playhouse should be inspected regularly before, during and after use for any signs of damage which could cause potential injury. This product should be kept out of the reach of very young children and only be used under the direct supervision of an adult.
